

Brief CV

Name	LIEW YUN MING	中文名	刘韵萌	
Gender	FEMALE	Title (Pro./Dr.)	DR	
Position (President...)	SENIOR LECTURER	Country	MALAYSIA	
University/ Department	SCHOOL OF MATERIALS ENGINEERING, UNIVERSITI MALAYSIA PERLIS (UNIMAP)			
Personal Website	-NON-			
Research Area	MATERIALS TESTING AND CHARACTERIZATION, CONSTRUCTION MATERIALS, GEOPOLYMERS			

Brief introduction of your research experience:

I have been appointed as senior lecturer at School of Materials Engineering, Universiti Malaysia Perlis. I am also a fellow researcher at the Center of Excellence Geopolymer and Green Technology (CEGeoGTech). My research interests are materials testing and characterization, composite materials, construction materials and geopolymers. I have obtained several research grants on geopolymer materials provided by Ministry of Education Malaysia as the leader and co-leader with total value of TM 271,200 (USD 62,380). Besides, I am also the co-leader in international grants (RM 2.5 million/ USD 564,670) provided by European Union (EU) under horizon 2020. Under this research grant, I have been to University of Plymouth, United Kingdom, as postdoctoral fellow, for duration of 2 months. I have participated in national and international exhibition on geopolymer materials and successfully obtained 8 special awards, 16 gold medals, 8 silver medals and 3 bronze medals. Besides, I have been exhibition jury for national and international exhibitions. In term of publication, I have total of 35 journal ISI and SCOPUS publication with h-index of 9. I am also the journal reviewer of well-recognized journals such as construction and building materials, cement and concrete composite, structural concrete, and etc. and also conference reviewers for more than 9 international conferences.
